## Corrections

### “Native Metal” page 24

Metronome marking should be **eighth note** equals 200 and not a quarter note:

### “Inside Black” page 66 bar 58

The snare hits on beat “4” of bar 58 should be two 32nd notes and not two 16th notes with an accent on the hi-hat on the “&” of beat “4” as below:

A musical score for a drum set, showing a single bar of music. The bar is divided into four beats. The first three beats each contain a snare hit on the first half of the beat, indicated by an 'x' on the snare line and an accent (&gt;) above the note. The fourth beat contains two 32nd notes on the snare line, also with an accent (&gt;) above the first note. A red rectangular box highlights the fourth beat and its notation. The number '58' is written below the first staff.
